THURSDAY, OCTOBER 9, 2025 | SOUTH ORANGE PERFORMING ARTS CENTER | 5:30-8:30PM

New Jersey Future's Smart Growth Awards (SGA) recognizes the very best in planning, development, and redevelopment in the Garden State. Entries are submitted via a statewide public nomination process. Winners were chosen by an independent jury of professionals in the fields of development, redevelopment, financial services, planning, advocacy, environmental stewardship, and community engagement.

The annual awards reception and ceremony is one of the state's premier networking events, bringing together leading professionals in architecture, planning, development, transportation, engineering, environmental policy, law, finance and local, regional, and county government.

The Title Sponsor receives maximum visibility through recognition at the event, as well as exposure before and after through our website, event emails that reach over 7,000 subscribers, and social media outreach to over 20,000 followers. Most importantly, sponsorship support advances New Jersey Future's mission throughout the year, helping us secure economic opportunity, community vitality, and quality of life for all New Jerseyans.

2025 SMART GROWTH AWARD WINNERS

ADENAH BAYOH

SMART GROWTH LEADERSHIP AWARD RECIPIENT

New Jersey Future's Leadership Award recognizes individuals who have an outstanding commitment to improving quality of life and promoting smart growth in New Jersey through sustainable land-use policy and practice. Adenah Bayoh is one of New Jersey's most successful entrepreneurs with a portfolio of several major residential and mixed-use urban redevelopment projects across northern New Jersey. As a transformative real estate developer, Adenah is dedicated to revitalizing the communities where she conducts business.
